

Wire By Design Co. respects your privacy and is committed to protect the personal information that you share with us. Generally, you can browse through our website without giving us any information about yourself. When we do need your personal information to provide services that you request or when you choose to provide us with your personal information, this policy describes how we collect and use your personal information.

Information Collection

Personal information means any information that may be used to identify an individual, including, but not limited to, a first and last name, company name, email address, a home, postal or other physical address, other contact information, title, birth date, gender, occupation, industry, personal interests, any other information, when needed, to provide a service you requested.

When you browse our website, you do so anonymously, unless you have previously indicated that you wish Wire By Design Co. to remember your login and password. We don't automatically collect personal information, including your email address. We do log your IP address (the Internet address of your computer) to give us an idea of which part of our website you visit and how long you spend there. But we do not link your IP address to any personal information unless you have logged in to our website. Like many other commercial websites, the Wire By Design Co. website may use a standard technology called a "cookie" to collect information about how you use the site. Please go to the Cookies and Tracking Information section below for more information.

Wire By Design Co. collects personal information when you complete our contact form, when you ask to be included in an email or other mailing list, or when you submit your personal information to Wire By Design Co. for any other reason.

Notice

When personal information is collected, we will inform you at the point of collection the purpose for the collection. Wire By Design Co. will not transfer your personal information to third parties without your consent, except under the limited conditions described under the discussion entitled Information Sharing and Disclosure below.

If you choose to provide us with your personal information, we may only transfer that information within Wire By Design Co., unless you grant us written permission to transfer to other parties on your behalf. Upon receiving your permission, we may transfer your information across borders and from your country or jurisdiction to other countries or jurisdictions around the world.

We will always give you the opportunity to "opt out" of receiving direct marketing. This means we assume you have given us your consent to collect and use your information in accordance with this Policy unless you take affirmative action to indicate that you do not consent, for instance by clicking or checking the appropriate option or box at the point of collection. In some cases, when applicable, we will provide you with the opportunity to "opt in." This means we will require your

affirmative action to indicate your consent before we use your information for purposes other than the purpose for which it was submitted.

Cookies and Tracking Technology

A cookie is a small data file that certain websites write to your hard drive when you visit them. A cookie file can contain information such as a user ID that the site uses to track the pages you've visited, but the only personal information a cookie can contain is information you supply yourself. A cookie can't read data off your hard disk or read cookie files created by other sites. Some parts of Wire By Design Co.'s website use cookies to track user traffic patterns. We do this in order to determine the usefulness of our website information to our users and to see how effective our navigational structure is in helping users reach that information.

If you prefer not to receive cookies while browsing our website, you can set your browser to warn you before accepting cookies and refuse the cookie when your browser alerts you to its presence. You can also refuse all cookies by turning them off in your browser, although you may not be able to take full advantage of Wire By Design Co.'s website if you do so. In particular, you may be required to accept cookies in order to complete certain actions on our website.

How We Use Information Collected

Wire By Design Co. uses information for several general purposes: to fulfill your requests for certain products and services, to personalize your experience on our website, to keep you up to date on the latest product announcements, special offers or other information we think you'd like to hear about from us, and to better understand your needs and provide you with better services. We may also use your information to send you direct marketing information, such as e-newsletters.

Information Sharing and Disclosure

Your personal information is never shared outside Wire By Design Co. without your permission, except under conditions explained below. Your data is stored in controlled servers with limited access. Your information may be stored and processed in the United States.

Wire By Design Co. may send your personal information to other companies or people under any of the following circumstances: when we have your consent to share the information; we need to share your information to provide the product or service you have requested; we need to send the information to companies who work on behalf of Wire By Design Co. to provide a product or service to you (we will only provide those companies the information they need to deliver the service, and they are prohibited from using that information for any other purpose); or we want to keep you up to date on the latest product announcements, or other information we think you'd like to hear about from us (unless you have opted out of these types of communications). We will also disclose your personal information if required to do so by law, to enforce our Terms of Use, or in urgent circumstances, to protect personal safety, the public or our website.

Data Security

Wire By Design Co. safeguards the security of the data you send us with physical, electronic, and managerial procedures. While we strive to protect your personal information, we cannot ensure the security of the information you transmit to us, and so we urge you to take every precaution to protect your personal data when you are on the Internet. Change your passwords often, use a combination of letters and numbers, and make sure you use a secure browser.

Children and Privacy

Our websites do not target and are not intended to attract children under the age of 13. Wire By Design Co. does not knowingly solicit personal information from children under the age of 13 or send them requests for personal information.

Third Party Sites

Wire By Design Co.'s website may, now, or in the future, contain links to other sites. Wire By Design Co. does not share your personal information with those websites and is not responsible for their privacy practices. We encourage you to learn about the privacy policies of those companies.

Changes to this Privacy Policy

Wire By Design Co. may amend this policy from time to time. If we make any substantial changes in the way we use your personal information we will make that information available by posting a notice on this site.
